

# CLEAR CREEK WATERSHED PLANNING SESSIONS

The Clear Creek Watershed Management Plan is being developed to help shape the future of our watershed to reduce flooding and improve water quality.

**You can help shape the future of your watershed, it's as EASY as 1,2,3! Please join us for any or all three planning sessions.** These sessions will provide you, local stakeholders, a great opportunity to learn about the Clear Creek Watershed, the Management Plan and **help develop local solutions** for our watershed.
