

## **PUBLIC NOTICE**

**Request for Qualifications (RFQ)  
Professional Engineering Services  
Clear Creek Watershed Coalition  
Watershed Improvements Project.**

The Clear Creek Watershed Coalition Board of Directors is requesting qualifications to provide engineering design and construction observation services to implement a watershed improvements project. The project's main focus will be on projects such as grade stabilization structures, ponds, wetlands, water and sediment control basins, tile outlet terraces and other structures to reduce storm water runoff and improve water quality in the Clear Creek Watershed.

Johnson County, Iowa, has been awarded a Community Development Block Grant (CDBG) from the Iowa Economic Development Authority to fund this project. Partners also include the Iowa Flood Center, the USDA/NRCS, and East Central Iowa Council of Governments (ECICOG). Projects will be on various and separate sites within the Clear Creek Watershed.

The selected firm will be responsible for the following services in coordination with landowners and project partners: site survey, design and specifications; obtaining permits for individual projects; project bidding process; pre-construction and construction progress meetings with project partners; project monitoring with site inspections; and final inspection/sign-off.

Contact John Rathbun via phone at 319-499-4835 or 319-499-4826, or via email at [John.Rathbun@ia.nacdnet.net](mailto:John.Rathbun@ia.nacdnet.net) to obtain a copy of the Request for Qualifications letter and list of criteria.

Responses are due no later than: **Monday, October 2<sup>nd</sup>, 2017; by 3:00 pm Central Time.**
